**Lauriespeltz.com - The website if everything goes right will be back up on
Saturday (4/20)/24. That is the plan anyway. I will have a bundle for the
stencils put together for you by Monday. People attending I will have stencils
for them to share and use or they can purchase. I will also bring brushes. They
can also purchase ahead of time and I will have that for them after the website
is up.**
