Surface:

Any WOOD square surface 10 inches or larger (canvas is tricky):

24" x 24" x .5-inch (2x2) plywood Note: ½ inch thick is recommended for outdoor to prevent warping.

Home Depot: SKU Internet # 204853869 Model # 2915

Lowes: Item #6199 - Model #128191

Menards: SKU 125-4062 don't forget the 11% off.

Supplies:

Mechanical pencil for drawing grid lines and good eraser like Magic Rub.

Watercolor pencils: Grey, Red, and Green and Pencil Sharpener OR kids washable markers (Dollar Tree)

Yard Stick (larger than surface), C-Thru Ruler like Westcot B85 or equivalent, or Quilters 24-inch ruler

8-inch Roofer's Square to keep lines parallel (Walmart) OR T-Square or use the Quilters 24-inch ruler

Roll of **clean edge** painter's tape

1½ inch metal putty knife to help cut tape or single edge razor blade scrapper

Brushes:

10 Foam brushes determined by size of board 1 inch or 2 inch for 24-inch board – one for each color and plastic bag one for each brush as it make take a couple of coats for each color to cover opaquely.

Hair dryer (Optional) This will speed up the process

Paint:

Kind of paint used will be determined by where the barn quilt will be hung.

Indoor use or sheltered outdoor location: DecoArt Americana (Furnished to In-Person)

Outdoor use: DecoArt Multi-Surface or Outdoor Paint – Bring your own
